Drawing Contest Rules

1. Contestants should be in the room and seated by time the contest starts. If you enter late, you will reduce your chance at winning.
2. There are no artistic requirements to enter the drawing contest. Additionally, the drawing contest is open to all ages.
3. Participants are to work alone and without the use of outside help.
4. Contestants are required to write down their name on each of their drawings.
5. Attendees will have 20 minutes for each round to draw according to the chosen prompt. These secret prompts will be revealed during the contest.
6. After 20 minutes, participants will hand in their drawing to the judges. After all artwork is turned in, the next round will begin.
7. After a total of 3 rounds and all drawings are collected, the judges will take 10-15 minutes to determine the winners.
8. Once the judges have made their decisions, the winners will be announced and receive their prizes.
